**Fogarty Global Health Postdoctoral Research Fellow**, HBNU (Harvard University, Boston University, Northwestern University, University of New Mexico), 2023-2024.

**NIH funded research project:** Environmental distress and mental health of pregnant women living with HIV in semi-urban Western Cape South Africa

**ISI Research Fellow**, Institute for Social Innovation, Fielding Graduate University 2023-2024

**Feminist Africa funded research Project:** Water insecurity and mental health of women smallholder farmers in Northern Ghana

**Behavioral Health Resident/Clinical Psychology Doctoral Internship** 2022-2023, University of New Mexico School of Medicine Department of Psychiatry and Behavioral Sciences. Integrated Behavioral Health. Director of Clinical Training: Lindsey Smart, Ph.D.

**Doctoral Candidate**, Ph.D. Clinical Psychology, Fielding Graduate University, Santa Barbara, California, start date 8/2018

**Graduation Date:** June 30, 2023

**GPA:** 4.2

**Dissertation:** *Female Identity, Stigma, and Cannabis Use for Women with Chronic Pain*

**Chair:** Dr. Kristine M. Jacquin

**Defense Completed:** 2/2022

**M.A.in Psychology**, emphasis in Clinical Psychology, Fielding Graduate University, Santa Barbara, California, September 2020

**Post-Baccalaureate Certificate in Clinical Psychology**, Fielding Graduate University, Santa Barbara, California, August 2018

**TEFL-ESL Certificate**, Maximo Nivel, Manuel Antonio, Costa Rica, August 2016

**Post-Baccalaureate Certificate in French & Spanish**, University of Edinburgh, Languages for All, Edinburgh, Scotland, United Kingdom, December 2011

**B.A. in Chemistry & Biology**, Asbury University, Wilmore, Kentucky, May 1997

| 2023 | NIDRA (National Institute on Drug Abuse) R13 Early Career Research Award    |
| 2023 | Lobo Psychology Research Award, University of New Mexico School of Medicine |

- 2022- 2025 *Feminist Africa* Research and Publishing Award
- 2022 University of New Mexico Department of Psychiatry and Behavioral Sciences 2<sup>nd</sup> Annual Research Showcase 2<sup>nd</sup> Place Research Poster Award
- 2022 APA Division 55 (Prescribing Psychology) Student Research Award
- 2022 Kjell Rudestam Honorary Award
- 2021 Jerry Nims Dissertation Research Award
- 2019 Translational Forensics Conference Communications Award *for talk* “Gender inequality in national laws predicts prevalence of modern slavery across UN Countries.”
- 2018 Best Stage One Project Leader Award in Dr. Kristine Jacquin’s Forensic Neuropsychology Research Lab
- 1995 Howard Hughes Medical Institute Research Fellowship, University of Kentucky
- 1994 Judge J. W. Deese Endowed Research Stipend, Asbury University

## SCHOLARSHIPS

- 2021 Fielding Graduate University Dissertation Award Scholarship
- 2020 Stephen Ruffins Memorial Scholarship
- 2021-2023 Fielding Graduate University Honors Scholarship
- 2020-2023 Fielding Graduate University Scholarship

## RESEARCH EXPERIENCE

**Primary Investigator**, Cross-cultural research methodology and validation of psychological assessments, trauma, and posttraumatic growth in Ghana. Duties: Leading research team meetings, designing and conducting community participatory research with human subjects in Ghana, leading a cross-cultural research team, designing cross-cultural research methods, literature reviews, data collection (including survey-based and clinical interviewing), processing data, coding for both qualitative and quantitative data, data entry, analyzing research data using Atlas.ti, SPSS, JASP, and R; preparing and presenting research for conference presentations, supervising research assistants, and preparing manuscripts for publication. Activities are conducted in English and several indigenous Ghanaian languages.

**Primary Co-Investigator**, Nicaragua team, SolPan+ Latin America  
Duties: Participating in weekly research meetings, designing and conducting research with human subjects, literature reviews, data collection (including survey-based and clinical interviewing), processing data, coding for both qualitative and quantitative data, data entry, analyzing research data using Atlas.ti, SPSS, JASP, and R; preparing and presenting research for conference presentations, supervising research assistants, and preparing manuscripts for publication. Activities are conducted in both Spanish and English.

***Dissertation Research***

Chair: Kristine Jacquin, PhD.

Dissertation title: *Stigma, Female Identity, and Cannabis Use for Women with Chronic Pain*

***Research Assistant***, Fielding Graduate University, School of Psychology, Dr. Kristine Jacquin's Forensic Neuropsychology Research Lab, September 2017-present.

Duties: Participating in weekly research meetings, designing and conducting research with human subjects, literature reviews, data collection (including survey-based and clinical interviewing), processing data, coding, data entry, analyzing research data using SPSS, R, and JASP; administering assessments, preparing and presenting research for conference presentations, leading research teams, giving invited lectures, and preparing manuscripts for publication.

***Research and Publications Coordinator***, Association for Trauma Outreach and Prevention, affiliate of the United Nations, 2019- 2020. Duties included: Coordinating research and publishing, designing and conducting research with human subjects, data collection, managing the research team, analyzing research data using SPSS and R, editing intern and fellow papers, conducting international research on trauma and with populations affected by humanmade and natural disasters, preparing and presenting research for conference presentations, leading research teams, and preparing manuscripts for publication. Supervisor: Dr. Loren Toussaint

***Research Intern***, Aleutian Islands, Alaska, 1999-2000

Duties included: Data collection and analysis with NOAA, SWFA and USCG on a research vessel in the Bering Sea. Primary area of study was tracking and genetic sequencing for the Northern Right whale population.

***Research Assistant***, Asbury University, Department of Biochemistry, Dr. Frank Wilbur's Microbiology Research Lab, December 1993-May 1997

Duties included: Conducted experiments, collected and processed data, participated in research meetings, prepared data for conference presentation, teaching, and supervision of lab assistants.

***Research Chemist Internship***, 3M Pharmaceuticals, Northridge, CA, 1997-1998

Duties included: Quality control chemist in the Infrared Spectrometer Lab: Estradiol patch team.

***Research Assistant***, University of Kentucky, Department of Entomology, Dr. Bruce Webb's Virology and Molecular Biology Lab, May 1993- May 1994, Howard Hughes Fellowship Recipient. Duties included: Participated in research meetings, designed and implemented research, processed data, ran experiments, collected data, analyzed research, and prepared and presented research for conference presentation.

**CLINICAL TRAINING**

***Behavioral Health Resident/Clinical Psychology Doctoral Internship 2022-2023, University of New Mexico School of Medicine Department of Psychiatry and Behavioral Sciences.*** Integrated Behavioral Health. Total hours: 2000

Director of Clinical Training: Lindsey Smart, Ph.D.
